11. To polish and publish a modern retelling of Romeo and Juliet

One horrible awful day in the reports. The Montague resort and Capulet land workers were fighting in the car park over who's swimming pool was the greatest. This was not the only argument that had occurred. Other incidents were hacking into each others websites and writing nasty things to make as one go there, also swapping items for others. This made the people of Verona very upset because they didn't know which resort to go to. Chief Escalus had warned each park that anymore fighting would end up with immediate dismember.

The next day, it was Capulet lands 30th anniversary and the funder of the year award ceremony held in a huge colorful bright room with light blue diamonds shining from the top of the beautiful ceiling. The special successful winner was announced by the owner Lord Capulet as Tybalt. Excitedly the winner ran to the stage. Meanwhile three disguised intruders Romeo, Mercutio and Benvolio walked into an open garden and laughed at the winner. A few hours later the awards ceremony turned into a disco. A pretty girl named Juliet was across the room waiting for a partner to dance with. A man named Romeo glanced happily at Juliet and moments later Romeo slowly walked towards the young girl. In an instant they both knew they had to get married as soon as they could.

Not long later, ^{the} special day had arrived the wedding of Romeo and Juliet. This marriage was a secret and Friar Lawrence married them. A few hours later Romeo was walking in the street when, almost immediately Tybalt Juliet's cousin, screamed at Romeo saying ^{that} "I deserved to win that prize so you don't need to laugh."

⁶⁶ Tybalt: "I don't need to fight!" replied Romeo.

⁶⁶ "You chicken!" stated Tybalt.

⁶⁶ "I will fight you Tybalt!" explained Mercutio. Sadly Tybalt took Mercutio's life. Romeo got so angry he killed Tybalt in self defence. Chief Iscal's sword out and sacked Romeo.

Meanwhile Juliet asked Friar Lawrence for a idea to get herself out of marrying Paris. He was thinking when he had a great plan he put sleeping pills into a holy burger. He told Juliet that ⁶⁶ "If you eat this you will look dead for 42 hours, then you can be with Romeo."

⁶⁶ "Please don't forget to send Romeo the plan!"

⁶⁶ "Of course!" replied Friar Lawrence.

The next day, was the day that Juliet was sent to marry Paris. However, Juliet got out of the table for breakfast. Lord Capulet and Lady Capulet slowly walked up the golden staircase into Juliet's room. Sadly they were shocked and were sobbing their eyes out their perfect girl was dead. Heart broken the Capulet family carried Juliet to the family tomb. Making no noise, Romeo's father, Balthazar saw this and ran to tell Romeo this news.

After fearing this near Romeo drove to a
chemist and got some poison. He told his friends
"If my love is dead I will die too". Meanwhile
Friar Lawrence, not thinking did he forget anything.

Romeo made it to the tomb he then raced to Juliet,
and glanced at her for a second then kissed his
last kiss before he drank his poison then painfully
and then slowly died. Suddenly Juliet awoke and
saw her Romeo and sobbed a while before
she grabbed a dagger and then braced it into
her heart. After the two bodies were found,
Friar Escalus blamed the two ^{samites} for the tragic
deaths of Romeo and Juliet. "For never was
there a story of more woe than that of Juliet and
her Romeo?"
